

## La Paz Transportation Guide

LaPaz is most easily accessed via air travel to [San Jose del Cabo/Los Cabos Airport \(SJD\)](#) followed by ground transportation to the city of La Paz. Depending on your location, you may also find flight options directly to the LaPaz Airport (LAP). Flight options to the San Jose del Cabo Airport are plentiful, for this reason we typically recommend flying into this location and taking a taxi, shuttle, or bus north to LaPaz.

### Shuttle Information From SJD Airport:

Those who fly to southern Baja via San Jose del Cabo can easily travel north up the peninsula to La Paz using express shuttle van services provided by [Eco Baja Tours](#). These shuttles depart from the SJD airport in San Jose del Cabo and arrive at the bus station on the Malecon in La Paz. Most shuttles feature free on-board WiFi, air conditioning, comfortable reclining seats, and optional cable TV. The shuttle driving time is 3-3.5 hours, depending on if your shuttle takes the longer route through Todos Santos, or the shorter route directly to La Paz. Please check the [Eco Baja Tours](#) website for more information on departure and arrival times. You will need to book your tickets online from the website. The website is in English and Spanish and prices quoted are in Mexican Pesos.

Here are some tips for booking shuttle reservations online with EcoBaja from the Los Cabos Airport (SJD) to La Paz:

1. Select the **Los Cabos Airport (SJD)** option for your departure destination
2. Select the **La Paz Malecon** option for your arrival destination
3. Select shuttle reservation dates
4. This will take you to a price quote and shuttle schedule selection page. The cost is generally around 985 pesos for a round trip shuttle reservation- around \$55 USD
5. Choose from the selection of shuttle times. Once shuttles are selected, hit the "next" button at the bottom of the schedule page
6. Fill in necessary Name and Contact Information. Select payment option (either Pay Pal or Visa/MC Card).  
Select  *Acepto los terminos y condiciones* button at bottom of page to accept terms and conditions. Hit the "next" button to proceed.
7. This will take you to the payment page- enter payment information and select the "Pay" button. Once your payment is entered, they will provide you with a confirmation number. Print this information for your records and take it with you to Baja to give to the shuttle driver upon arrival.

Our tour hotel, the [Seven Crown - Centro](#), is 6 blocks away from the Malecon shuttle/bus station. If you are walking, plan on a 10-minute moderately uphill walk. If you have multiple bags, heavy or rolling luggage or you arrive after dark, we suggest taking a short taxi ride to the hotel (approximately \$40-50 pesos). Taxis are nearly always immediately available right outside the bus station. Some shuttle drivers may be willing to drop you off directly at the hotel, so do ask the driver (and be prepared to tip for this service).

### Private Taxi:

If you would like a private transfer, or if you are traveling in a larger group, a private taxi, is sometimes more economical and convenient from the airport in San Jose del Cabo to La Paz. There are many transportation companies in the Los

Cabos area, we recommend checking out Trip Advisor for more information on reserving private transportation for your tour in Baja. Please be advised that this transport service can cost upward of \$200.

If you need a taxi for transportation within the city of La Paz, we recommend **Aurelio Estrada**, our local La Paz taxi contact. You can reach him directly by mobile phone 044.612.169.6755- tell him you are traveling with ROW Sea Kayak Adventures!

**Bus Information:**

In general, Baja has good bus transportation options between its major cities. We recommend [Aguila Auto Transportation](#) for this service. Tickets can be purchased ahead of time on-line or at the station upon arrival. Regular service runs from the city of San Jose del Cabo to the La Paz Malecon or the Loreto City Center. If you plan to utilize bus service from San Jose del Cabo you will need to take a taxi from the airport to the bus station. Please note that the majority of ticketing agents and drivers will only speak Spanish. If you plan to take the bus from La Paz to Loreto, the La Paz Malecon Station is easy to locate on the main street downtown La Paz.
